'If I ever am to re-edit my book 'The Cult of Art' I would make long quotations from what Rowley wrote. He and I share a considerable knowledge of the world of art and artists...'
Jean Gimpel.

'This limited edition of the works of Walter Rowley makes available to the discriminating reader a wealth of material hitherto unsuspected. Words and images have rarely been more tastefully combined. Our gratitude to Mr Lanyon for seeing through the press a cornerstone of Cornish, not to say Western, aesthetics.'
William Feaver.
